Through the calendar year, not your fiscal year. That is really just one per month.

Hi, Chris. Wow-that's a lot. I'll try to accommodate best I can. I have a lot of travel and training packed in the next few weeks so please bear with me. Just fyi-I'm out of the country/off the grid on vacation 1-14 Sept also, where I won't be able to check email.

Hi Lynn – Please plan on at least 5 in person meetings (not including the technical meeting) between now and the end of the calendar year to discuss Area 40. Thanks! Chris

**Subject:** [EXTERNAL] Sept AR CAG/Tech Meetings

Hi, everyone.

Daewon and I have to plan out our travel and training early for the remainder of the FY. If we have one day of technical meetings in Sept, can we shoot for Thurs, 21 Sept? If we need two days for tech meetings, could we please have the groundwater meetings on Weds, 20 Sept and the A40/VI/OU7 meetings on Thurs 21 Sept? Please let us know if that would work for you.

Thanks,  
Lynn
